THE 2018 INTERNATIONAL CONFERENCE ON RADAR,
ANTENNA, MICROWAVE, ELECTRONICS AND
TELECOMMUNICATIONS

Embracing Future Trends in Electronics & Telecommunications

ICE-BSD, Tangerang, Greater Jakarta, Indonesia

1-2 November 2018

The conference is an annual event organized by Research Center for Electronics and Telecommunications, Indonesian Institute of Sciences (PPET-LIPI) that aims to bring together researchers, scientists, engineers, scholar students and practitioners interested in the advanced technologies of communication and electronics.

All the accepted and presented paper will be included in the final proceedings for the submission to the IEEEXplore digital library.

Conference Tracks :

- Remote Sensing and Radar System
- Antenna Devices and Techniques
- RF and Microwave Theory and Devices
- Electronics Materials, Devices, Components, and Circuits
- Wireless and Wired Communications
- Signal and Image Processing Techniques

Important dates :

Call for paper	: February 6, 2018
Final submission	: July 31, 2018
Notification results	: September 3, 2018
Final registration	: October 1, 2018
Camera ready	: October 5, 2018
Conference event	: November 1-2, 2018

Secretariat:

Research Center for Electronics and Telecommunications, Indonesian Institute of Sciences (LIPI).
